Fr. George Report:

1. On 10-07-2017, the Harvest Happenings mega event was celebrated. There was a huge turnout of people from all sections of the parish and neighborhood. We raised \$7,680.61 from the sale of various items. I sincerely thank the various Committee chairpersons and the volunteers who worked hard for long time spending their time, talent and treasure. Congratulations.
2. On 10-10-2017, I received a formal letter from Fr. Michael Johnston, the Diocesan Administrator, calling our attention to the "Respect Life outreach programs" of the Church, like fighting the evil of abortion, promoting culture of life according to God's plan, post-abortion healing and reconciliation, prayer and worship for life, etc. involving the parishes, colleges, schools and other voluntary organizations of the Diocese. I have appointed a couple to be in charge for this purpose, Mr. Vincent and Mrs. Pattie Brown. Let us think deeply what we can do in this regard in extending our support and working with them thereby responding creatively to the direction of the Diocese.
3. This coming Sunday, October 22, there will be a "Teacher Retreat Sunday." This is the first time in the last five years of my service here in our parish we are getting such a beautiful opportunity for teachers' Empowerment. Let us most cordially welcome the Guest Speaker Mrs. Joan Watson and help our teachers to attend this program for their updating teaching performance in CCD Classes.

Capital Campaign Committee Report: Richard Paladino

Our attorneys had the opportunity to speak with the legal counsel retained by the insurer for City of Fayetteville and for Fayetteville Public Utility. It is the law firm of Farrar and Bates in Nashville. They are a panel counsel for the Tennessee Municipal League's captive insurance company known as "The Pool." The assigned lead counsel received a copy of the law suit last week, and has spoken with both the attorneys for FPU and for the City.

They asked if they could have a brief extension, and were told by our legal counsel that we had no objection to this brief extension. In fact, whether we agreed or not, the court would have granted the extension.

They are aware that this isn't a step we took lightly and it needs to get resolved. Given the lack of any cooperation from the City, and given the tragic fire next to our property which occurred at the Valley View Apartments, we were left no alternative other than litigation.
